LOCATED IN THE ELK RIDGE 2ND ADDITION

4015 KITES LANE

HOME WITH A VIEW!

- 3730 SF fully finished
- 5 bd/ 3 bth + hobby room
- Walk-out lot with coulee view in the back
- Covered front porch
- Maintenance-free covered deck
- A-Frame design with tall ceilings
- Large garage with shop extension

Currently under construction, this outstanding home has no backyard neighbors and sits on a view lot. This fully finished, ranch-style home features three bedrooms on the main floor, including a spacious primary suite. The suite includes a custom tiled shower, a soaker tub, and a double-sink vanity. You'll love the walk-through to the master closet and the ample private space. The main floor features an open-concept design with a large kitchen, a 10 ft. island, and a walk-in pantry. The living room features an outstanding A-frame design, tall ceilings, and glass throughout. On your way to the large garage, you'll find a mudroom and a separate laundry room.

The fully finished walk-out lower level offers a spacious entertainment room with a finished wet bar. It also includes two additional bedrooms, a full bath, a hobby room, and a fully finished mechanical room. This home is being built with all Andersen windows and LP SmartSide.
