Currently under construction, this outstanding fully finished ranch style home features three bedrooms on the main floor including a spacious master suite. Included in the suite is a tiled custom shower, soaker tub, and separate vanities. You'll love the walk-through to the master closet and plenty of private space.

The main floor features an open-concept design with a large kitchen, a 10 ft. island, and a walk-in pantry. The living room has a gas fireplace with a modern shiplap mantle. On your way to the large garage you will find a mudroom and separate laundry room.

The fully finished walk-out lower level offers a spacious entertainment room with a finished wet bar. There are two additional bedrooms, a full bath, a hobby room, and a fully finished mechanical room. This home is being constructed with all Andersen Windows and LP Smart Side. Please contact Joe Vetter Construction for more details.
