\$834,900 / fully finished

4103 Bugle Bend | Bismarck, ND
3,736 Sq. Ft. | 5 Bd + 3 Bth + Hobby Rm

elk ridge development

- » Walk-in pantry
- » Covered front porch
- » Maintenance-free, covered deck
- » Large garage with shop

Absolutely stunning, this fully-finished ranch-style home features three bedrooms on the main floor including a spacious master suite. In the suite is a custom tiled shower, soaker tub, and separate vanities. You'll love the walk-through to the master closet and plenty of private space.

The main floor features an open-concept design with a large kitchen, a 10 ft. island, and a walk-in pantry. The living room has a gas fireplace with a modern shiplap mantle. On your way to the large

- » Tile shower and soaker tub
- » No neighbors in the back
- » Backyard has access to park and walking trail

garage you will find a mudroom and separate laundry room.

The fully finished walk-out lower level offers a spacious entertainment room with a finished wet bar. There are two additional bedrooms, a full bath, a hobby room, and a fully finished mechanical room. This home is constructed with all Andersen Windows and LP Smart Side. Please contact Joe Vetter Construction for more details.
